

## Rappahannock County Clean Streams Days

How do **YOUR** day-to-day activities around your home affect you, your family, and your community?

Do **YOU** want to protect your watershed, your home, and your environment?

Want to have a safer house and yard?

**HERE IS A WORKSHOP FOR YOU, and it is FREE!**

### The Home\*A\*Syst Workshop:

*An Environmental Risk-Assessment Guide for the Home*

March 29, 2008, 9:00 to 12:00

Washington Volunteer Fire and Rescue

Light Morning Refreshments Served

The Home\*A\*Syst Program will help you identify and reduce many kinds of environmental risks in your home or on your property.

This workshop is presented by Mac Saphir, Extension Agent, Virginia Continuing Education, Caroline County and is paid for by Rappahannock County and the Virginia Water Quality Improvement Fund.

**REGISTER EARLY, AS SPACE IS LIMITED!**  
See [www.rappflow.org](http://www.rappflow.org) for registration details and further information.
