

Rain Barrel Workshop

Conserve Water

A rain barrel collects and stores rainwater from your rooftop to use later for things like lawn and garden watering.

Lower Water Costs

Save water during peak summer months for use outdoors instead of paying a higher water bill or using your well and electricity.

About the Workshop

WHO: Anyone with an interest in making a rain barrel

WHEN & WHERE: **Saturday, April 26th** @ the
Old VDOT facility on Fodderstack Rd in Washington, VA
10am to 12pm

COST: **\$40 for 1 barrel; \$75 for 2 barrels**
\$25 for barrels without hardware

HOW: **Reserve your barrel(s)** by calling the Culpeper SWCD
at **540-825-8591** or sending email to
Stephanie.DeNicola@va.nacdnet.net.
